Uncovering Africa's Blue Economy

Name:

QUIZZ: OCEANS AND CLIMATE

Answer the following questions

- 1** What does "Blue Economy" mean?

- 2** Why is it important for Africa to protect its fish from illegal foreign boats?

- 3** How do mangroves and seagrass help fight climate change?

- 4** What are Marine Protected Areas (MPAs)?

- 5** Name one threat to Africa's oceans and coasts. (hint: look at the octopus above).

- 6** How can technology help us protect the ocean?

- 7** Why is it important for young people in Africa to care about the ocean's future?
